Expo Tracker Lead Retrieval Options

The Expo Tracker Android Mobile 2-D scanner creates a very easy to use, state-of-the-art lead retrieval system that captures every lead, guaranteed, every time. Leads are stored on the Expo Tracker and exhibitors can email to themselves, or anyone else their lead spreadsheet directly from the ET application at any time during the show.

- Customize follow up qualifier questions directly on the device, at any point during the show
- Type in custom notes using the onscreen keyboard
- Email your lead spreadsheet to any email address at any time during the show or after the show.
- Print leads up to 50' away from the optional Bluetooth printer.

Expo Tracker Lead Retrieval takes advantage of the latest mobile technology to provide a cost effective, efficient and easy to use system. Our professional staff is available onsite for support and assistance during all setup and show hours.

***Ask us about our Universal Lead Retrieval System that you can use at every expo that includes a barcode or NFC chip. Pay for lead retrieval one last time, forever!**
