SOMETHING TO CONSIDER

You work hard on your projects, let the judges see your hard work in the best light! Carefully review your entry in comparison to the judging criteria and ask yourself:

Does my project statement tell the story of my entry to someone who doesn't know anything about me or what I do?

STEPS TO ENTER

Carefully review all entry categories, requirements and judging criteria before preparing and submitting your project statement and entry materials.

Materials for all entries include:

1. Project Statement for Each Entry
2. Payment Form
3. Digital Files: site plan, floor plan, photos, audio or video files (varies by category).
4. Submit your completed entries electronically by file sharing through Dropbox with judging@nchba.org

**All entries must be submitted electronically. File names should include category number and company or project name. If submitting multiple entries, please have a folder for each category with appropriate files.*

**All materials submitted become the property of the STARS Awards and may be used by NCHBA for promotional purposes. Entry materials cannot be exchanged or modified after the final submission date.*

** Please ensure all digital files are high resolution and in color and should be submitted as JPEG or PNG files.*

JUDGING

Each entry will be judged on its own merits by a panel of distinguished individuals selected for professional expertise in the home building industry. Judges may re-categorize an entry if they believe it has been entered in the wrong category or it is better suited for another category. Judges reserve the right to divide categories into sub-categories depending on the range of entries.

If there is only one entrant in a category it does not automatically receive recognition. The entry must have an average score of 70% or higher based on the judging criteria and materials received.
